## RULES & REGULATIONS FOR BETTERMENT

- 1) BETTERMENT:** If a student is not satisfied with her/his end-semester results in a particular paper, s/he may opt for BETTERMENT. For this, it is necessary that the student has cleared attendance requirements and during-the-semester (sessional) examinations and taken and cleared the end-semester examination. Maximum 2 (two) end-semester theory papers or components are permissible for BETTERMENT. BETTERMENT is not permissible for during-the-semester examinations or practical/laboratory components, projects, workshops, assignments and internal assessments. After the BETTERMENT examination, the student will be awarded the grade/marks of the better of her/his two results, i.e. the originally awarded grade/marks or the grade/marks secured in the BETTERMENT examination. If a student registers for BETTERMENT but is unable to appear for the examination due to illness or other unavoidable circumstances (documentary evidence is required to support the reason), the original grade/marks will be retained. However, the paper will remain in the list of permissible papers for BETTERMENT should the student wish to re-register at another time. **Registration for BETTERMENT is only permitted if the particular course/paper being registered for is offered by the University at that time.** No registration for BETTERMENT is possible after the degree has been conferred and/or the student has received the provisional/original certificate. All betterment examinations must be completed within 2 (two) semesters (one year) of the end of the normal duration of the course.

A candidate shall be eligible for only one opportunity to appear betterment (improving marks/grades) examination in a maximum of two end-semester theory papers in a particular end-semester examination. For example, a student may appear for betterment say in 1st & 2nd papers of first end-semester examination along with third end-semester regular examination. However, s/he won't be allowed to appear again in the same 1st & 2nd papers of first end-semester examination along with fifth end semester regular examination; but s/he will be allowed to appear in any other two papers along with fifth end-semester regular examination. But if a candidate did not appear in immediate subsequent next first semester examination for betterment when he/she was in regular 3rd semester examinee he/she should not be allowed to appear next 1st semester examination for betterment when he/she was in regular 5th semester examinee. A candidate shall be entitled to a maximum of three consecutive chances to appear betterment for different theory papers of a particular semester of PG & UG and one for PGDCA.

- 2. REPEAT:** A student must REPEAT a paper under the following circumstances: (a) S/he did not register for the paper in the semester it was originally offered (see point 1 above); (b) s/he did not clear attendance requirements for the paper; (c) s/he cleared attendance requirements but failed in or did not appear for the during-the-semester (sessional) examinations; (d) s/he has not been allowed to appear for the end-semester examination. REPEATING a paper means clearing attendance requirements and passing in during-the-semester (sessional) and end-semester examinations for that paper and for that matter a student has to take guidance teaching from the existing internal teachers.

**4.** A student can register for REPEAT or ARREAR papers or a combination of both types of papers for a maximum of 20 credits.
