Dear Sir/Madam,

I would like to inform you that the application process for AKADAMICS, AFNA's College Scholarship Program, is open for the academic year 2021-2022. It is for students pursuing bachelor's degree courses. These scholarships are aimed at supporting students who are below poverty line but have demonstrated promising academics. Detailed information on the scholarship along with the application form can be found at – <http://assamfoundation.net/projects/akademics>. Key elements of these scholarships are on the reverse.

We are seeking your help in the following areas to reach out to the deserving students:

- Post the one-page brochure (see reverse) on the college notice board
- Publicize this initiative among the students in your college or higher secondary school
- Encourage deserving students to apply for this scholarship

In the first six years of its inception, 166 very deserving students have already been awarded. The AKADAMICS initiative is supported and advised by leading academicians from Assam currently serving in Assam and United States of America.

If you have any questions, please let us know and our volunteers will reach out to you to help you with any additional details. For any additional information or questions, administrators and mentors at AKADAMICS can be reached at [afna.akademics+help@gmail.com](mailto:afna.akademics+help@gmail.com).

Thank you and looking forward for your support.
