Assam

Sub: Information for Students of Science Stream to Submit PIN Code and District Name.

Sir/Madam,

In inviting reference to the subject cited above, I have the honour to inform you that the Council is exploring the possibilities of making arrangements so that students can have access to HS 2nd year science studies at his/her present location during lockdown. Therefore, students of HS 2nd year **Science** stream are expected to send the **PIN Number** and **District Name** of their present location via SMS in the format "AHSEC<space>PINCode<space>DistrictName" to 7733902222 at the earliest.

A student should send the SMS from his/her mobile number registered with the Council. Institution wise list of students' registered mobile numbers is attached herewith.

You are requested to convey the above information to the students of HS 2nd Year science stream studying in your institutions.
