This is for general information that UG 1st year students (Science and Arts) admitted in 2018 may apply for change of UG 2nd Semester General Elective subjects (GE3/GE4). For the change of a subject to be considered, a student must first obtain 'No Objection' from the Heads of Departments of the subject to surrender as well as the subject desired in lieu of it. The application of a student must therefore be routed through first the Head of the Department of the desired subject and then the Head of the Department of the subject to be surrendered. The last date of receipt of applications is 05/01/2019. The decision of the UG Admission Committee 2018 will be final regarding the changes and the list of changes will be notified when the even semester classes resume in January 2019.
