

WIPRO's Hiring Programme for the Non Engineering Graduates of 2018 Batch.

An overview of Work Integrated Learning Program(WASE & WIMS):

Wipro Academy of Software Excellence (WASE), is a unique program launched by Wipro in 1995. It offers BCA & B.Sc. students a chance to pursue higher education – M.Tech in Software Engineering in collaboration with one of India's premiere technical institutes while gaining work experience.

Wipro Infrastructure Management School (WIMS), one of the Work integrated Learning Programs offered by Wipro, aims at preparing fresh BCA and B.Sc. graduates for IT infrastructure Management services. It is an effort where training in Information Technology/System Engineering is offered to the students with practical exposure to the Infrastructure Management Service industry.

These programs register every student for an 8 semester Wipro sponsored M. Tech course (Individual enrolment to MTech would be subjected to candidate meeting University eligibility guidelines, only post joining Wipro) with one of the Top Universities. Candidates will get to work on live projects and earn a monthly stipend. Upon successful completion of the M. Tech program, the students will be absorbed as full time employees of Wipro.
