Institutional Ethics Committee for Human Research

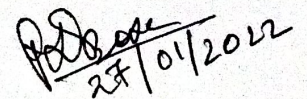

Minutes of the online meeting

Date: 27th Jan, 2022

Time: 11.30 am

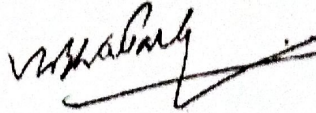

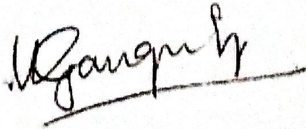

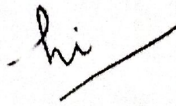

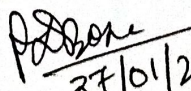

Venue: Zoom

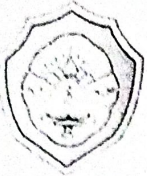

1. It was confirmed by the honorable Chairperson Prof. Nirmal Bhattacharyya that the structure of the committee is in order.
2. The Chairperson and Dr. Majibur R Khan, the member as basic Medical Scientist of the committee suggested for the immediate registration of the committee.
3. The Chairperson also suggested for the availing of the training on "Good Medical Practices" as a mandatory component for this registration. He mentioned that this particular training is to be availed only by the technical members of the committee.
4. The Chairperson explained the potential role of the non technical members like Social Scientist, legal expert and the layperson of the committee.
5. Prof Mausumi Ganguly, the member as basic Medical Scientist of the committee and Dr. P Goswami, the member as the Clinician of the committee also provided their valuable input to move on with the tasks of this committee.
6. The committee decides that based on the urgency, the screening and approving of the research proposals may start provisionally even before getting the registration as it might take some time to complete the whole process.
7. The Chairperson also suggested for setting a deadline for inviting the research proposals prior to the commencement of the next meeting of this committee via online or preferably offline mode.
