IIT Guwahati Research Park

IIT Guwahati Research Park Foundation (IITGRP), envisioned as a high energy workspace that naturally encourages innovative thinking and collaboration, is much more than a physical space. Seeking to foster a creative and productive interplay between the industry and academia, the IITGRP aims to help push the boundaries of innovation and research thus creating value for the industry and adding to the knowledge bank.

IITGRP provides Industry academia interaction and space to develop technology and process. It helps in mentoring and consulting services to aspiring team of innovators and entrepreneurs, encourage and support start up, MSME, Industries and other incubation center.
Currently twenty-four companies have signed Memorandum of Agreement with IITGRP.

Research & Industrial Conclave - Integration' 2023

An Amalgamation of Academia, Industry & Start-ups

Research & Industrial Conclave — Integration' 23

The first ever industrial conclave of its own kind to enhance industry academia collaboration is organized at IIT Guwahati. From 2015, Research conclave is organized to nurture young minds towards research, innovation and entrepreneurship by Students' Academic Board (SAB).

This time, IIT Guwahati Research Park and SAB along institutes the Research & Industrial Conclave (RIC) - INTEGRATION' 2023. It is aimed at providing an exclusive platform for students, young innovators, entrepreneurs, industry experts, professionals, academicians, policy makers, investors and exhibitors to exchange innovative ideas, knowledge base, showcasing product/ services to rejuvenate various research and development opportunities under one roof with a special focus on north-eastern states. Moreover, the conclave will also include dedicated networking schedules, mentoring sessions and showcasing of innovations that will provide new entrepreneurs and students investment opportunities for product development and scaling-up.

jointly organized by

Students' Academic Board

Students' Academic Board (SAB), is a student body that strives to redress the academic problems and concerns of the entire student community of IIT Guwahati. It is a link between the students and the administration.

SAB conducts different events and activities throughout the year & organizes events like Research & Industrial Conclave, Foreign and regional language courses, Workshops etc., which inculcate the spirit of academic excellence and innovation, and help newcomers to adjust and progress in this institute. It also conducts periodic sessions to interact with the student community and undertake timely dissemination of important information.
