ABOUT THE UNIVERSITY

Cotton University (formerly known as Cotton College) is a Public State University located in Guwahati, Assam, India. Formerly known as Cotton College, the institute was established in 1901 by Sir Henry Stedman Cotton, the Chief Commissioner of the erstwhile British province of Assam. It was established in 2017 by the provisions of an Act enacted by Assam Legislative Assembly to merge the Cotton College State University and Cotton College. The university made its way to become one of the top 200 institutions of the country by figuring in the band of 150–200 in the National Institutional Ranking Framework rank list in May 2020 .

ABOUT THE HOST

The Department of Computer Science started as a computer centre under the erstwhile Cotton College on the 30th of July 2003, In the year 2004, this Centre was upgraded to a full-fledged department. Currently, the department offers B.Sc. and BCA at the UG level, MCA and M.Sc. in Artificial Intelligence & Machine Learning at the PG level. It also offers Ph.D. course.

ABOUT THE WORKSHOP

The "AI in Healthcare Workshop", sponsored by the Science and Engineering Research Board (SERB), under Scientific Social Responsibility policy of SERB. SERB is committed to promoting and supporting cutting-edge research and innovation. This exclusive workshop is designed specifically for faculty members of colleges and university, providing a platform to explore the transformative potential of artificial intelligence in the field of healthcare. Through engaging sessions, interactive discussions, participants will gain valuable insights into the latest advancements, applications, and ethical considerations in leveraging AI to enhance healthcare delivery. Join us to unlock new horizons in healthcare innovation.
