An interactive session was held online for the post graduate students and research scholars of the Department of Molecular Biology and Biotechnology (MBBT) on 27th May, 2023. The speaker was Dr Rubul Mout (Scientist at Harvard University, Massachusetts, USA).

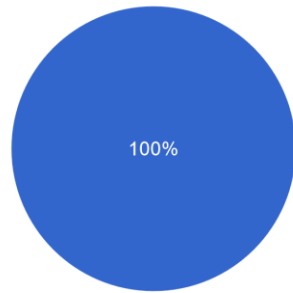

The topic for the discussion was “**Road to Success**”. The students’ response for the session was recorded via Google form. A good number of students participated in the event. Six queries were put to the students in the feedback form. The response of the participants is summarized below:

Semester

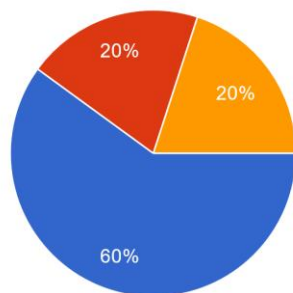

- II
- IV
- Research scholar

Do you feel that the program has motivated you to pursue your future career?

- Yes
- No

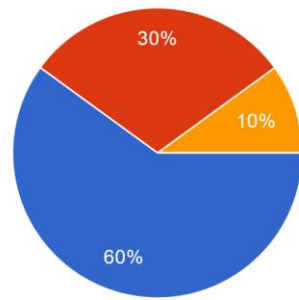

How did the webinar compare to your expectations?

- Excellent
- Good
- Average
- Poor

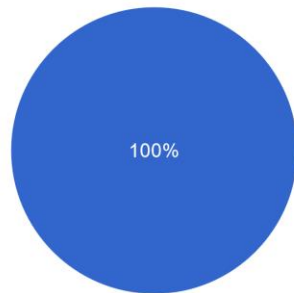

Head
Dept. of Molecular Biology &
Biotechnology (MBBT)
COTTON UNIVERSITY
Guwahati-781001

Kindly rate your overall experience

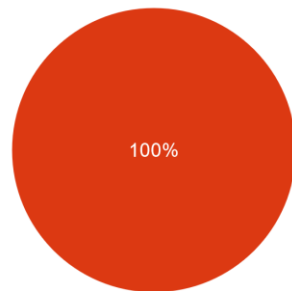

- Excellent
- Good
- Fair
- Poor

Should the department conduct similar programmes?

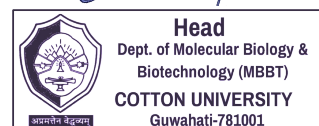

- Yes
- No

How many programmes of this nature have you registered and attended?

- One
- More than one
