15 DAY ONLINE WORKSHOP ON RESEARCH METHODOLOGY FOR SOCIAL SCIENCES

Program overview:

The relationship between theory and empirical research holds tremendous significance in social science disciplines. This workshop aims to equip students, scholars and early-career researchers in social sciences with an in-depth knowledge of philosophical assumptions, research methods, tools and techniques including both qualitative and quantitative approaches. The idea is to familiarise learners with core components of research methodology highlighting the importance of critical thinking, reflexivity and interdisciplinarity in academics.

E-certificates will be provided to the participants on successful completion of the workshop with minimum attendance of 75% and above.

REGISTRATION FEE: INR 450
