## NOTICE

In view of the recent report of detection of covid positive cases of family members of faculties and students of department of MBBT, the matter has been discussed among the faculties of the department and also with the Hon'ble Registrar Sir. As per suggestions given by Registrar sir and also the resolution taken by the faculty members of the department, it has been decided to suspend all the offline classes of all the semesters of UG and PG from 23<sup>rd</sup> to 26<sup>th</sup> November, 2021. During this period, online theory classes would be conducted by the faculty members as per existing offline class time table. However, the scheduled offline mid-term examination from 25<sup>th</sup> Nov, 2021, would be conducted as per time table notified.

All the faculty members, staff and students of the department of MBBT are hereby requested to have their covid test done at the earliest for better safety of everyone in the department. The students are hereby requested to follow the covid protocol, while coming for the midterm exam, by wearing mask, sanitizing and frequent hand washing, maintaining social distancing etc.
