5 Year Future Plan of Action

Department of Bodo

Cotton University

Guwahati-01, Assam

(Since 2023)

1.0 The department believes in new prospects for stimulating academic atmosphere. For creating such an atmosphere the department is keeping up its duty of imparting quality of education. Through its academic Programmes in Bodo the department promotes research activities level best since its inception. Effort has been done to encourage teachers and students towards enrichment of internal quality which is closely connected with the societal commitment. Our vision establishes a department with an academically motivating ambiance that encourages a spirit of leaching-learning, research and extension activities to the contemporary literary and socio-cultural concerns.

Followings are the action plan to work on –

1.1 Promotion of Research Activities:

1.1.1 To strengthen the research foundation of the teachers and the students, the department has planning to hold workshop, seminar, conference of national and international repute.

1.1.2 Establishment of Language Lab to facilitate in language research and natural language processing.

1.1.3 Plan to establish study Centre for Ethnic Communities of the North East India. The centre shall provide a platform for preservation and validation of archaic knowledge of the little known communities of the NE region.

- 1.1.4 The classic writings of Bodo writers of pre-independence period are already collected by the department. These valuable documents demand high value and social significance which recognizes core of social and historical data of the society. From this angle the department keeps close observation to the classic writings to archive digitally and make available online.
- 1.1.5 Production of teaching learning materials is one of the future plans of action of the department. It aims to support students in the learning process and to learn new concepts that significantly enhance their knowledge.
- 1.1.6 Conducting case studies/projects on emerging literary and socio-cultural issues by teachers, research scholars and students of the department. Thus the department aspires to create an innovative approach for the creation, transfer and dissemination of knowledge through issue based research.
- 1.1.7 Emphasis on studying the traditional knowledge and linguistic heritage of small communities and their realistic needs.
- 1.1.8 Publishing research journal/edited book to encourage researchers in collaboration with local, national or international publishers.

1.2 Extension Activities:

- 1.2.1 Plan to introduce Certificate Course in Functional Bodo for non-Bodo speakers.
- 1.2.2 Special Coaching in Bodo for competitive examinations such as APSC examination, UPSC examination, NET, SLET examination etc.
- 1.2.3 Collaborative academic activities with other organizations or academic institutions.
- 1.2.4 Organize awareness lectures on the harms of drugs, narcotic use, practice of superstitions of the society and issues relating to the society.
